Dragon Walk (see form in this newsletter)
The CASS Dragon Walk is on Sunday October 11. We don't yet have many registered walkers from Harcourt and we would dearly love to be very well represented. Come to the school office ASAP and get a registration form so that you can be included as a Harcourt walker.

Working Bee
Last Sunday we had a hardy band of 12-or-so workers who did a wonderful morning's work for our school. The front area looks fabulous -and the wheelbarrows and rakes were well-used. Lots of sweat - but great spirit. My very sincere thanks to you all. Pictures below.

MultiLit Award
Melenaite Taufui and Erin, one of our Multilit tutors, celebrate Melenaite's hard work and great success in the program.

NOTE - Harcourt Calendar
Have you noted the change of web address for the school calendar? It's now http://bit.ly/harcourtcal
Do you follow the school through our Skoolbag app? If not download it now free from Google Apps or from the Apple store. Just look up "Harcourt Public School".

“Kindergarten went to the farm to see a cow, a sheep, a duck, a pig and a kid. We enjoyed going to the farm. I like patting the sheep.” - Ishaa (KY)

“Kindergarten went to the farm. I saw a cow. It was big. I liked when we were feeding the sheep. The bus was big. Some children were sleeping in the bus.” - Erin(KY)

End of term 3
This is the last week of term 3. As we start to feel the warmth of spring and prepare for another Sydney summer may I wish all our students and families a wonderful holiday for two weeks. We'll see you back on TUESDAY OCTOBER 6
Kindergarten at the farm
Every year our Kinders have the opportunity to visit a farm, touch the animals and get to see where our milk comes from. They have a great time and it is a real education for them.

Spelling Bee
On Tuesday Harcourt hosted the local Spelling Bee finals - with 45 students from many neighbouring schools competing. It was well organised (thanks Mrs Worrad) and a great chance to show off our great school.

Grandparents Day and Multicultural Day
October 27
We have a BIG day planned for Tuesday 27 October. We will be celebrating Grandparents' Day - but also having a multi-cultural celebration with foods and stalls to represent many of our school communities. As we have done in the past we want to invite all our community groups (we have over 40 cultures represented at Harcourt) to make food to show off your culture -and to wear cultural dress. The day will be for you to be here and to experience the events - so mark it off in your diary now. More information early next term about events, donations of food etc.
Just Joshing

This is the section for jokes and riddles. Send your best jokes and riddles to put in the school Newsletter. Put your jokes into the suggestion box in the school office - or send them to the school email (harcourt-p.school@det.nsw.edu.au) with the subject line "newsletter jokes".

Q: Why were the children laughing while they played basketball at school?
A: Because they were at “Ha” court.

Wakka Wakka Kiri
by: Aaron Goff

Some students from Harcourt Public School performed at Wakakiri on Thursday 30th July at 9:30pm at the Sutherland Entertainment Centre. I was one of those students. I was part of the Hummingbirds group. There was also a Crane group, Chicken group, Penguin group, Calah group and finally there was one person in the Peacock group.

The day was long but very exciting for all of us. We started the day by practising our performance at school in the hall. Then we all took our bags and props onto the bus to travel to the Sutherland Entertainment Centre. When we got to the centre we started to rehearse the dance. When the Wakakiri dancers rehearsed we got into our colourful costumes. Finally we got our hair done and put on our masks. I was very tired at the end because I was sooooo nervous when we performed. I really enjoyed listening to the presenter because he was very funny.

Feeling special today?
by: Anzin Mu

Special awards are exciting but they are very hard to get.

Every week at the Friday assembly many people get special awards. Sometimes even extra special awards are given out like the Rose awards and much more. For example Sean got an Athletics award last Friday and Eric got a Gold award too. Eric said, "I felt happy when I got an award". Sean said, "I felt embarrassed when I was standing on stage because everybody can see me and I am nervous standing on stage".

Green cards are very important rewards that help you earn your Rose awards. In our class, we can get a Green Card for being a good citizen or when we crack ten Dojo points. So Dojo’s are exciting because they help you get a green card but are a lot of hard work.

Reports can be like awards too but you get them every two terms. Sports awards or athletic awards are awards that you need to participate well and try your best to earn.

Everybody who earned an award in 3E felt happy and special.

Mrs Nicos: I enjoyed every Thursday working with our talented students. The final performance was excellent. I was one very PROUD teacher!! Great job to all the students who performed and all the teachers who were involved in the Wakakiri team.

Students from 3E share:
HUME: Aaron felt excited when Hume won. He was very happy.

COOK: Barra was surprised that his group came last.
BASS: Sean felt proud of his team.
STURT: When the results were shared Eric felt “good”
ROSE Awards Scheme and "Good Workers" TABLE

This table is in the Newsletter every week and shows which students have achieved a special level in our ROSE (Respecting Our School & Each other) awards program or have been noted for a really great effort in class - or have done some fantastic handwriting.

The following students have achieved a higher level on the ROSE program or they have come to the Principal to show their excellent work. When they come to see me, they get a sticker for their good work - and a stamp on their forehead, their nose, their cheek or their chin. SO - if your child comes home with a stamp from the Principal - tell them how proud and pleased you are! Congratulations to these students:

Why Trapezium should be on TV.
Trapezium is a funny dog and a good dog. He knows how to do all kinds of dog tricks. He even knows how to write with a pencil. Trapezium is very smart. He knows how to speak human language. He can also open a book and walk like a human. He would be very, very good for your dog trick show.

New Outdoor Classroom

We hope you like our new artificial grass area where the seating and tables are placed to allow a whole class group to be taught outdoors – with access to our school wi-fi. It certainly makes better use of a previously “dead” area of the playground.

School Website Survey: The Department of Education Wants to Know What YOU Think

Dear Parents and Carers,

We are always looking at ways to enhance the quality of communication between our school and our parents and carers. One of the key communication channels is the Harcourt school website. The department is looking at enhancing the quality of our school website and would really like to get your feedback as a parent/carer about the type of functionality on the website that would help improve the communication between the school and you.

We would really appreciate if you could take a couple of minutes to complete the following online survey. The survey is located at: https://www.surveymonkey.com/r/WSVSCXG

Thank you for taking the time to give us feedback and help us make our school website even better.

Scroror of a Disco!
The Scary/Horror disco last week kept our little people happy as they danced the night away. Thanks to Year 6 and staff for organisation and the supervision of the scorrors.

Our Working Bee
Thanks to all the volunteers. The school front looks SO much better thanks to your efforts.
Jump Rope For Heart
Our students participated in Jump Rope again this year – with activities organised by Ms Lentros across the grounds and for all grades. The students enjoyed all the activities – and hopefully learn another lesson on having an active and fulfilling healthy lifestyle.
SCHOOL HOLIDAY ROAD SAFETY REMINDER FOR FAMILIES

With the school holidays approaching, daily routines will soon change. Different play locations and holiday destinations means different traffic environments.

So to help keep our children safe, families are reminded about these key road safety points:

- **Stop, look, listen, think every time you cross the road.**
  If your child is aged 8 years or younger hold their hand when walking near or across roads. If your child is 9-10 years old always actively supervise them.

- **It’s the law that everyone wears a helmet when riding a bike in a public place. It makes sense to wear a helmet when riding scooters and skateboards too!**

- **Click clack front ‘n back every person for every trip.**
  Everyone in the car must be securely buckled up in the right seatbelt or child restraint.

- **Talk to your child about being a safe road user.**
  Reinforce safe road behaviours by being a good role model! Children learn safe road behaviours from the adults who care for them. Talk about what you are doing to be safe when near roads, in the car and when riding.

- **Point out road safety differences and dangers in new environments.**
  This is especially important when on holidays in different surroundings. Roads, footpaths, parks, car parks, bike tracks and bike lanes may look different in holiday areas.

The best way to keep your child safe is to actively supervise them.

Talk and teach your child about road safety every time you are out and about.

Remind other adults who care for your children to do this too.

Have a safe holiday break!

What is MLC Tennis Hot Shots?
MLC Tennis Hot Shots is an exciting tennis program for kids aged 5 to and under. Using smaller courts, racquets and low-compression balls, the program makes learning tennis easy for new players.

At the heart of MLC Tennis Hot Shots is a fundamental approach to learning. It’s called “learning through play” and is based on developing skills in real tennis situations. This program allows children to develop technically and tactically in a stimulating environment.

LEARN TO SWIM TERM 4, 2015

Enfield Aquatic Centre, provides a Learn to Swim program for Children and Adults.

The programs operate seven (7) days a week (except for School Holidays) and offer quality swimming programs designed to develop confidence, skill level and water safety for all students. During School holidays we offer an Intensive Learn to Swim and Squad program, which is aimed to further enhance your child’s swimming ability.

All our Instructors are AUSTSWIM qualified, with current CPR qualifications.

Lessons are conducted in our heated indoor 25m pool where we provide a safe, healthy and fun environment to enable our students to improve their skills. Our programs are graded according to skill level.

A structured squad program, is also an integral part of our Swim School, furthering development for the non-competitive and competitive swimmer of all ages and abilities.

For all enquiries, or to make an Assessment booking, call 9747 4319 or stop by, pick up a timetable and enjoy a Coffee at Henley Park Café.
